

# FERRARI MUSEUM

PICK UP: YOUR HOTEL - LUNCH NOT INCLUDED

The Ferrari Museum, officially opened in 1990, true guardian of the myth, welcome fans from all over the world. It is divided into themed areas designed to fulfill the expectations of enthusiasts of all kinds, from motor racing fans to expert historic car enthusiasts and even those who admire the Prancing Horse as an icon of Italian design, exclusivity and technology. It is a dynamic exhibit renewing continuously in time: in addition to the most important cars and historical objects, like the first Ferrari 125s designed in 1947, the museum shows the most recent single-seater cars and Grandtourers, even revealing new models.

It represents all the symbols of the Ferrari brand: passion for races, technological innovation as a main element, team spirit,

attention to the customer; in short, everything has made the Prancing Horse an exclusive brand between the most famous and loved ones in the world.

After visiting the Museum it is possible to realize a nice guided tour, personalized and exclusive, by shuttle inside Fiorano race track, the famous testing circuit of Team Ferrari, with all its main characteristics, and along Enzo Ferrari boulevard, where you can admire all the projecting and production offices.

Besides, if you are interested, it is possible to book for racing in the track (Autodromo Marzaglia Modena) by Ferrari Challenge models.
